## Read Free 806 Farmall Diesel Engine

The International Harvester 806 is a 2WD or 4WD standard-tread tractor manufactured by International Harvester from 1963 to 1967.

### **International Harvester 806 tractor: review and specs ...**

Now, in the Tractor Data in they have Farmall and Wheatland listed separate on the 806 and they don't on the 856. But, they are also listing the 856 as starting in 1967 in which they started in 68. That being said the 806 had 5 years of sales and the 856 had 4 years of sales. Didn't 856 at least equal or out sell the 806.?
