Students are bombarded every day with media messages laden with rules: how true patriots should act, how healthy people eat, what real women should look like. Acting Out Culture is the first thematic composition reader to focus students' attention beyond what rules and norms govern their everyday behavior to how the

[Acting Out Culture] takes as a given that students have already internalized countless rules, and are bombarded every day with media messages that dictate how they should think, feel, and behave. Acting Out Culture urges them to recognize these rules and prescriptions that they may adhere to unthinkingly, probe them, and

Literature is a term used to describe written and sometimes spoken material. Derived from the Latin word literature meaning "writing formed with letters," literature most commonly refers to works of the creative imagination, including poetry, drama, fiction, nonfiction, and in some instances, journalism, and song.

What Literature Can Teach Us

Theatre or theater is a collaborative form of performing art that uses live performers, usually actors or actresses, to present the experience of a real or imagined event before a live audience in a specific place, often a stage. The performers may communicate this experience to the
