Penman's Financial

Statement Analysis and

Security Valuation 2/e

focuses on the output

of financial statements,

not the input. As such,

the book asks what

financial statements

tell you, not how they

are prepared. The idea

is to get students to

Online Library

Financial

Statement

see accounting

"working." The book

focuses on using

financial statements in

valuation. 4th

from financial statements and use that data to value firms. The 5th edition shows how to handle the accounting in financial statements and use the financial statements as a lens to view a business and assess the value it generates.

Financial Statement Analysis and Security Valuation 5th

Online Library

Financial

Statement

The main pretext of the book is that financial statement analysis and valuation analysis are inextricably entwined: valuation is an exercise in financial statement analysis. Financial statement analysis is directed by the need to get information for valuation. Accordingly, the book brings finance and accounting concepts together.
