Genie Garage Door Opener Models and Genie Remote Listings

Genie Overview Genie goes back a long ways. Their series and model numbering is confusing. Probably because over the decades things change. I know there are quite a few missing manuals. I'd guess only 50% are covered here. So please, if you have a manual not included here please contact me. I would love to make this list as complete as possible.

Owners Manual | Genie garage Door Openers | mgdor.com

The owners manual has the model on the front page of the manual. Most Genie garage door openers also have the model number under the light bulb cover on the power head or on the back panel. A lot of the newer Genie models also have the model on the outer cover of the power head, making it easy to tell which model you have from the ground.
