Past life regression is a position of relaxation where you regress to a time during your past life. This happens when you are in a very relaxed state of mind, also known as hypnosis or trance state. Unlike the myth of losing control, you have the most control of your own mind during hypnosis or trance state.

Danish philosopher Søren Kierkegaard once said, "Life can only be understood backwards; but it must be lived forwards." Chasing the meaning of that quote is what inspired me to try past life regression therapy while reclining on the queen-sized bed in my dimly-lit studio apartment one evening in March. With my eyes covered in a furry, leopard print sleep mask, a complete stranger listened ...
