The movies make tons of money. WWE's films aren't terribly expensive to make. Most of them have a budget of under \$20m and usually far less - the most expensive film they've ever made was 12 Rounds, which cost about \$22m, and that, coincidentally, was one of the few that didn't make its money back at the box office. Most of WWE's films do that - and many of them make much more than that - and ...
