The Anatomy Of Disgust William

William Miller details our anxious relation to basic life processes; eating, excreting, fornicating, decaying, and dying. But disgust pushes beyond the flesh to vivify the larger social order with the idiom it commandeers from the sights, smells, tastes, feels, and sounds of fleshly physicality.

Amazon.com: The Anatomy of Disgust (9780674031555): Miller ...

William Miller embarks on an alluring journey into the world of disgust, showing how it brings order and meaning to our lives even as it horrifies and revolts us. Our notion of the self, intimately dependent as it is on our response to the excretions and secretions of our bodies, depends on it.

William Miller embarks on an alluring journey into the world of disgust, showing how it brings order and meaning to our lives even as it horrifies and revolts us. Our notion of the self, intimately dependent as it is on our response to the excretions and secretions of our bodies, depends on it.

The Anatomy of Disgust by William Ian Miller

The title of William Ian Miller's book is a play on Robert Burton's 17th-century classic *The Anatomy of Melancholy*, an examination of human emotion. In his modern *Anatomy*, Miller narrows the focus to the function of disgust in human life. Disgust, Miller posits, is a kind of protection; just as fear causes us to flee danger or loyalty prompts us to support one another, disgust draws boundaries and insulates the individual from outside incursions--anything from the unhygienic hair in our soup ...

The Anatomy of Disgust - Kindle edition by Miller, William

...

Miller argues that disgust ``uses" this very raw material for two distinct purposes. The first is a Freudian kind of superego short-circuiting of unconscious desire (i.e., the incest taboo). The second is to prevent excess (think of the self-loathing that often accompanies hangovers).

[EPUB] The Anatomy Of Disgust William Ian Miller

While *The Anatomy of Disgust* does disgust, it also enralls, enlightens, dazzles and entertains. It "anatomizes" disgust--which Miller defines as a "strong sense of aversion to something perceived as dangerous because of its powers to contaminate, infect or pollute"--by exploring it as both a physical sensation and a moral sentiment.

The Anatomy of Disgust: Amazon.co.uk: Miller, William Ian ...

Disgust actually has a very complex and sophisticated cognitive content., Mr. Miller's novel line of inquiry, as well as frequent displays of wit and insight, makes *The Anatomy of Disgust* an engaging book., Although Miller is not the first scholar to bring disgust out from the spell of silence under which it has traditionally been kept hidden, he is the first to do so with a depth and empirical amplitude that corresponds to the complexity of the topic...Miller has written a compact study of ...
