The First True Lie

The First True Lie is a hard book to digest. The story is told through the voice of a young boy named Luca who deals with the death of his mother in a very strange and grim way. He decides to carry on with his life as if she isn't really dead, hoping that she may come back to life. You witness Luca slowly losing

The First True Lie by Marina Mander - Goodreads

The first true lie, by Marina Mander, is a startling look at a little boy's life after he finds his mother dead in bed one morning. Written from a child's perspective, and done so very well, it grabbed me from the first page. I read it in two consecutive nights. It's definitely worth reading. Read more.

True Lies - Wikipedia

The `true lie' or `lie in the soul' can best be explained this way: If one believes, at a certain point, that eating carrots with every meal is the best thing one could do for one's health and, later, realizes that excess in anything can be a bad thing and stops the carrot-eating, that realization would have no long-term negative consequences on one's life.

Plato and the 'True' or 'Noble' Lie - Brewminate

In philosophy and logic, the classical liar paradox or liar's paradox or antinomy of the liar is the statement of a liar that he or she is lying: for instance, declaring that "I am lying". If the liar is indeed lying, then the liar is telling the truth, which means the liar just lied. In "this sentence is a lie" the paradox is strengthened in order to make it amenable to more rigorous logical ...
