### The Graphic Works Of Odilon

Odilon Redon's graphic works are eerie yet beautiful. Many are in the public domain and you may have seen some already (think hot air balloon with an eyeball searching upward). His artistry is a combination of a lonely childhood filled with enormous rooms and heavy drapery, and a desire to draw what the Romantics were writing about.

Odilon Redon was a French symbolist painter, printmaker, draughtsman and pastellist. Early in his career, both before and after fighting in the Franco-Prussian War, he worked almost exclusively in charcoal and lithography, works referred to as noirs. He started gaining recognition after his drawings were mentioned in the 1884 novel *À rebours* by Joris-Karl Huysmans. During the 1890s he began working in pastel and oils, which quickly became his favourite medium, abandoning his previous style ...
