Law is mainly made for implementing justice in the society. There are various types of laws framed like criminal laws, civil laws, and international laws. While a law is framed for bringing justice to the society, a policy is framed for achieving certain goals.". In many career paths, one may find a lot of intersections of the work between policy and law.

Law vs Policy. What's the Difference? - Career ...

A policy is a document that outlines what a government is going to do and what it can achieve for the society as a whole. A law, on the other hand, is a system of rules passed by the government. Laws must be obeyed by all, including private citizens, groups and companies as well as public figures, organizations and institutions.
