“Witch School Dropout” seemed to start off a bit slow. The Witch Squad had matured and there wasn’t as much bickering. However, this doesn’t mean they were too old to stay out, of trouble. The girls wanted to help and their spell was ill conceived and I am pretty sure they should have known better.

Why Witch School? Witch School International is the first truly online school dedicated to Wiccan, Pagan, and magical thought! We founded Witch School because we found that many people who wanted to learn about Wicca were unable to find good information or training, either because they were geographically isolated or because they simply could not find real-time teachers.
